

RUBBINGS MATCH

You Need: Rubbings Match Record Sheet
Crayon
Thin Paper } ..or try crayon
Scissors } rubbing directly
Sticky Tape or Glue } on to Record Sheet.

Your Task: To take rubbings from different objects described on your Record Sheet.

Look around you for objects with interesting textures and take rubbings from those that you think match each of the headings on your Record Sheet

Cut out the rubbings and attach them to the spaces on your Record Sheet.

Compare your work with a friend's.
